Info:

We are disturbed over misunderstanding on part Kubaar of US position re military assistance to Libya as outlined by you October 22nd. In view importance that Kubaar be under no misconceptions re our position we wonder if you might not consider it advisable at early date to (1) discuss matter with Kubaar again, setting him straight on any aspects which he appears to have misunderstood and possibly leave Aide Memoire to preclude possibility further misunderstanding; (2) explain US position to Defense Minister Siddiq Muntasser. You might also wish consider advisability informing UK Ambassador of foregoing steps to clarify US position.
